

I moved to Shillingstone over 25 years ago with my 3 children, who all attended school here. Over the years I have been involved with the Playgroup. Toddlers. PTA. The Portman Hall. The Village Fete and Burton's Community Orchard as well as SHAMDRAM. For a number of years I was a School Governor and also ran the local Beavers, Cubs and Scout groups. I have been an active member of the Parish Council for over 10 years

After a background in Office Management, I worked as a professional Child Minder for many years, until ill health forced me to retire early. Now I spend my time with charitable fundraising commitments, and working on my creative writing. One book published. and hopefully more to go!
